

CRETE PUBLIC LIBRARY DISTRICT BOARD OF TRUSTEES  
INTERIOR DESIGN COMMITTEE MEETING

February 4, 1995  
9:30 A.M.

Present: Rose Marie Foley, Shirley Murray, Marian Engel, Library Trustees; Sharon Wsol, Martha Schlagel, Judi Boehner, Library Staff; Nancy Provideo, George Maniates, LZT/Filliung.

1. The meeting was called to order by Rose Marie Foley at 9:45 A.M. at the office of LZT/Filliung, 45 South Park Boulevard, Glen Ellyn.
2. Based on the ideas developed at the first meeting, Nancy Provideo presented fabric for the adult services, circulation, administration and staff areas. The committee worked through area by area, looking at alternative and deciding on suitable fabrics for each section.
3. After finishing the adult area, the committee carried out the same process for the youth services department. After much discussion, it was decided to use a different carpet for this section. Although lovely, the chosen carpet is proving to be very difficult to work with. Once the carpet was put aside, the committee was able to select appropriate fabric. Nancy will present alternative carpet selections to the board and youth services staff shortly.
4. No date was set for another meeting. It is anticipated that Nancy and George will make a presentation to the staff and board within the next several weeks.
5. The meeting was adjourned at 12:15 P.M.
- ~~6. The committee will meet again on Saturday, February 4. It was decided to meet at LZT/Filliung's office where many more samples are available to look at.~~
- ~~7. Meeting adjourned at 5:30 P.M.~~
